

# Who offers more pushbutton switch options to meet your design needs? . . .

## CENTRALAB!

Why restrict your switching designs to a few limited options? Come to Centralab . . . The pushbutton switch manufacturer that offers you true design flexibility.

Shown above are 18 of the most popular options available. They're described at the right. Included are epoxy sealed terminals with built-in standoffs at no additional cost. And more programming capabilities using lock-out options than any other supplier. With a wide choice of lighted and non-lighted buttons.

There's one feature of Centralab pushbutton switches that's not an option. It's *Centralab Service*. It comes with every switch. Proof? We'll send you samples with your choice of options in one week . . . Production quantities in six.

For a complete catalog of Centralab pushbutton switches, options and prices, talk to your Centralab Technical Representative, or call (515) 955-8534.
