

Flexible Solutions to Your Rigid Requirements

When it comes to membranes, Cherry has layers of expertise...to give you unlimited options. Which means your Cherry membrane can have any shape, any key arrangement, color or legend. Encoded or non-encoded. With or without tactile feel, static or RFI shielding.

Any special pattern, surface effect or color combination graphics you specify, Cherry will produce. Screened or extruded textures, embossed keys, gloss or matte finish.

Custom design, a modified standard or an off-the-shelf standard, Cherry has them all. Complete system designs, too. For communications interface, alphanumeric lighted displays or other keyboard-associated subsystems. Working from your schematic...or creating a custom design to your specific task objectives.

All this and unbiased application engineering assistance. Because we're expert in all the most cost-effective keyswitch technologies...membrane, gold crosspoint and capacitive. A good reason to make Cherry your key source for linking man and machine.
