

A "Special" reminder.

We don't stock this one.

We put it together to demonstrate Cutler-Hammer's unique capability to produce custom—and even proprietary—switch "specials" to satisfy virtually any end-product requirement.

We offer "specials"... toggle, rocker, paddle, rotary, slide, key, lever-lock or pushbutton. Both illuminated and non-illuminated.

... ac or ac/dc. For one-hole, flush, sub-panel, snap-in or nest mounting. In all sizes. With special circuits that can be ampere or horsepower rated ... or both.

... with screw, spade, pc, solder lug, wire wrap, wire lead and integrated wire terminations.

For "special" assistance on commercial, industrial and MIL-Spec applications, call your Cutler-Hammer sales office or distributor.

And for the many "non-specials" we *do* stock—write Milwaukee for your copy of our new 144-page catalog.
