

Dialight sells only used rockers and toggles.

That's because all are 100% tested. At Dialight we don't use hit-or-miss sampling to test our miniature rockers and toggles. All are 100% tested electrically and mechanically before you get them. And all are made in the U.S.A.

You can choose from thousands of different designs. Our rocker and toggle line contains

countless combinations of standard colors, sizes, mountings and contact ratings. Included are dozens of front-panel and sub-panel types, plus many styles for snap-in and printed circuit board applications.

If our catalog doesn't show exactly the switch you need, we'll design and build it to order.

Next time specify only used switches — 100% tested rockers and toggles from Dialight, 203 Harrison Place, Brooklyn, N.Y. 11237 (212) 497-7600.
