

If 97,650 aren't enough ...we'll propose one just for you

Switching problem? Bring it to Cherry. We'll make the switch search FOR you. From among the nearly 100,000 different switches made possible by our highly specialized switch design and manufacturing facilities.

With so many switches from which to choose, there's sure to be one that's perfect for your application . . . and to solve your switching problems.

Whether it's a simple adaptation of something we've already produced or a standard catalog type switch available from stock, you'll get fast action from Cherry. And, if your application requires tooling, we'll propose an entirely new switch . . . just for you.
